Acoustics	
Description / Special Requirements	*The After Hours Drug Store is a secure room for the storage of drugs and medications required after hours, accessible only by authorised personnel. Refrigerated storage will be required for some medications. The Store will be replenished by Pharmacy personnel with access from within the Pharmacy and accessed externally by authorised personnel. Room to be lockable both sides. Refer to project specific requirements for automated medication management systems. Storage solutions to meet project specific service, functionality and OHS demands. This includes, and not limited to, proprietary storage systems.*
