Room Name	Staff Station, 20m2	Room Number: SSTN-20

Last modified	01/03/2016
Briefed Area	20.00
Remarks	
Occupancy	*Up to 4 staff*
Hours of Operation	☑ *24 Hours*
Acoustics	*Sound attenuation level medium, Acoustic privacy is required.*
Description or Special Requirements	*The Staff Station is the administrative base for a Unit in which it is located, and enquiry point for patients and visitors. It provides for the co-ordination of patient care, observation, writing up of clinical notes, entering data into computers and making and receiving telephone calls. The Staff Station may also accommodate a Unit Receptionist/ Clerk. The floor area may vary according to the Health Planning Unit in which it is located, activity level, number of full and part-time staff, the Operational Model and the building layout. A 20m2 Staff Station will predominatantly be used in Critical Care Units such as ICU, CCU, NICU, PICU etc.Acoustics: Sound attenuation level - Medium; acoustic privacy required.Special Design Requirements: - Staff Station should have a set down area for disabled access - Lockable counter height doors may be provided for additional security if required. - If doors are required, access for disabled staff may require consideration*
