LIGHTING: indirect

Nurse Call and Duress | NURSE CALL SYSTEM: buttons / handset

HVAC | AIRCONDITIONING: general
AIRCONDITIONING: HEPA filtered
AIRCONDITIONING: positive pressure
AIRCONDITIONING: negative pressure
VENTILATION: exhaust
VENTILATION: natural

Additional Considerations

- The size of waiting areas can vary depending on service requirements; add 1.2m² per additional person and allow 1.5m² for additional wheelchair spaces as required.
- A range of occupants will need to be accommodated including adults, children, able-bodied persons and people with disabilities. In many instances bariatric capacity will also be required.
- Consider furniture options including weight rating of all chairs and providing built-in furniture or securing furniture where there may be safety/security concerns.
- Wall protection is recommended to protect wall linings and finishes from damage due to movement of loose furniture.
- An operational model for responding to calls from staff/patients will be needed to support the inclusion of a nurse call system and is to be determined based on service requirements.
- Mobile duress coverage is to be assessed and planned at a department level and coverage is to suit local security and WHS policies and operational service requirements.
- Hand hygiene facilities, such as alcohol-based hand rub, should be provided in line with local infection prevention and control (IPC) policies.

Finishes

| CODE | DESCRIPTION | COMMENT |
|-------------|---|---|
| FLVY-101 | FLOOR FINISH: vinyl, seamless, standard slip resistance | [FLVY-003] carpet tiles are also acceptable; to be coordinated with adjacent area |
| FLSK-021 | SKIRTING: vinyl, integral with floor vinyl, covered | [FLSK-010] feather edge vinyl or aluminium skirting are acceptable if carpet tiles provided; to be coordinated with adjacent area |
| WLFI-001 | WALL FINISH: paint | [WLWA-004] |
| WLFI-011.01 | WALL FINISH: vinyl, to 900 AFFL | [WLWA-022] as required to suit loose furniture layout; crash rails are also acceptable |
| CLTI-022.02 | CEILING: drop-in tiles, acoustic, prefinished, 600 x 1200 | [CLTI-002] to be coordinated with adjacent area |

| CODE | DESCRIPTION | COMMENT |
|----------|--|---|
| CLCN-041 | CORNICE: wall trim fixing, prefinished | [CLCN-009] to be coordinated with adjacent area |
| WLPR-006 | WALL PROTECTION: corner guards | [WLPR-006] height to be coordinated with adjacent wall protection |

Fittings, Furniture and Equipment (FF&E)

| CODE | DESCRIPTION | GROUP | QTY | COMMENT |
